Important note about editing this template:

This template features LESS and AJAX technologies to change colour schemes and generating fonts. So if **you need to see correct colours rendered on this template please upload the site and test it from a web server.**

This template does NOT contain live preview images, but it generates placeholder images instead. **If you need original live preview images please contact us** via http://designova.net/support.html

SUPPORT:

We have tested this template and it is working properly. Anyway if you still find bugs in our original live preview, **please contact us via our support system website**: http://designova.net/support.html We will get back to you as soon as possible.

If you like our work kindly rate our product on themeforest:
